CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now
She Is a Well, Strong Woman and Praises Cardui For
Her Recovery.

Royse City, Tex.—Mrs. Mary Kil-
man, of this place, says: "After the
birth of my little girl...my side com-
menced to hurt me. I had to go back
to bed. We called the doctor. He
treated me...but I got no better. I
got worse and worse until the misery
was unbearable...I was in bed for
three months and suffered such agony
that I was just drawn up in a knot...

I told my husband if he would get
me a bottle of Cardui I would try it...
I commenced taking it, however, that
evening I called my family about
me... for I knew I could not last
many days unless I had a change for
trial.

the better. That was six years ago
and I am still here and am a well,
strong woman, and I owe my life to
Cardui. I had only taken half the
bottle when I began to feel better.
The misery in my side got less... I
continued right on taking the Cardui
until I had taken three bottles and I
did not need any more for I was well
and never felt better in my life... I
have never had any trouble from that
day to this."

Do you suffer from headache, back-
ache, pains in sides, or other discom-
forts, each month? Or do you feel
weak, nervous and fagged-out? If so,
give Cardui, the woman's tonic, a
trial.

THE UNIVERSAL CAR

There's the same economy in using
the one-ton Ford truck that there is in
using the Ford car—only the larger
carrying power of the truck com-
mends it particularly
to farmers, and
other business men.
The famous Model
T motor assures re-
liable power, and
lots of it; the manganese bronze
worm drive makes certain the use of
all that power; the three-point sus-
pension gives flexibility, and vanadi-
um steel strength. Price, without
